What is ePACT?

ePACT is your emergency network, helping minor hockey associations move their medical forms and waivers online.

Why ePACT?

• No more paper forms Families complete medical information and waivers electronically

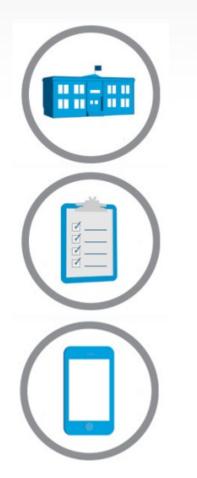

Better access The mobile app provides easy access to complete and legible player records

 Hockey Canada approved ePACT is approved by HC as a replacement for the Medical Information Sheet

How it Works

Families receive an email invitation from ePACT.

Families create a secure emergency record, and share it with their coaching team.

Coaches and team managers access player records on the mobile app – even without an internet connection!

ePACT for our Hockey Association

Reduced risks and liabilities

- Complete, legible and accurate medical information to respond to any injury or illness
- Secure mobile app to replace binders that can be lost or stolen

Decreased administration

- No more paper forms to collect, sort, file or shred
- Easy communication
 - Communication tools to reach all parents and emergency contacts

ePACT for our Families

- No more hand-written medical forms and waivers
- Can easily update details throughout the season
- Information used in the first season only needs to be verified for following seasons
