## HAPPY NEW YEAR!

We hope you and your loved ones enjoyed the holidays, and that 2020 brings wonderful things to you and your community!

As we kick off this exciting next year, we wanted to take a moment to thank you for your incredible support and celebrate some of the exciting accomplishments and growth we experienced across North America and around the world in 2019.

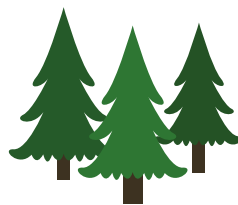

**Over 2 million** families built support networks

ePACT spread to **141+ countries** worldwide

**100s of communities** adopted ePACT in North America

Replacing over **2,000,000 pieces** of paper

Clients reported that ePACT helped them manage hundreds of:

### Medical Crises:

Allergic reactions, injuries, illnesses.

### Safety Issues:

Evacuations, lockdowns, finding missing children.

### Day-To-Day Emergencies:

Late busses, closed facilities, cancelled programs.

2019 features helped clients better meet:

Audit requirements with [Automatic Archiving](#) and [Check In, Check Out](#).

Legal support with waiver [eSignature](#) (or date-stamped records and consents)

Data protection with [online reports](#) on data privacy and security measures.

We welcomed new and expanded partnerships:

We were proud to be selected as a [Y-USA Preferred Vendor](#), we expanded our NRPA partnership, and we worked with ACTIVE Network on a range of client events and conferences. The [ePACT-RecTrac \(VSI\)](#) integration launched for our shared clients, and we're working on integration with Daxko for our YMCA customers in 2020!

We're thrilled to bring [Yaletown Partners and Disruption Ventures](#) onto the ePACT Board as we raised additional funds to expand our team and system.

We're excited for 2020 - thank you so much!
