

KEEP RECREATION PROGRAMS RUNNING SAFELY

Trusted by millions, ePACT's emergency and health forms automation helps you operate safely and stay organized, while reducing costs.

Peace of Mind for 2021

For many months the global pandemic has brought fear and uncertainty. As you plan for 2021 and beyond you need to prioritize safety and restore confidence. With limited resources and added complexity, efficiency will be key.

Put Safety First

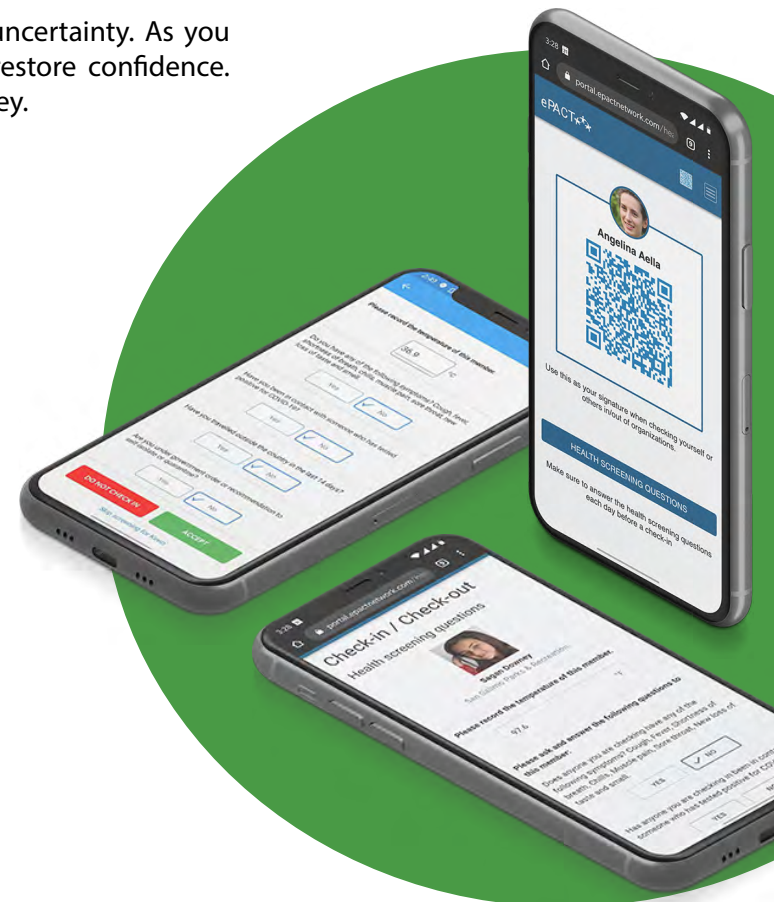

- Replace paper emergency forms with secure Electronic Health Records (EHR)
- Reduce risk with electronic COVID pre-screening
- Eliminate high touch processes with QR code check-in/out
- Be ready with vaccine tracking

Cut the Paperwork Costs

- Save hundreds of hours of staff time
- Eliminate inefficient paper form processes
- Reduce spend on printing and document storage
- Keep your team focussed on what matters

Reduce Risk

- HIPAA-compliant health information storage
- Legally-binding eSigned Waivers, Consents, and Check-in/out
- Meet legal regulations and licensing requirements
- Reduce the risk of unauthorized access to member data
- Automate document retention /deletion

Respond in Real-Time

- Access vital allergy, special needs or other medical details instantly
- Save critical minutes with instant access to emergency contacts
- Notify members rapidly with mass notifications (email, text, and voice)
- Access details easily via desktop, tablet or mobile - online or offline

KEEP RECREATION PROGRAMS RUNNING SAFELY

Emergency Forms Automation for Recreation

ePACT makes it easy for recreation leaders to collect, manage and access health & emergency information, waivers, consent forms and emergency contacts - all in one secure platform.

"This was a real game-changer for us. We went from high stress Mondays to barely worrying about it. On our busiest Monday, we have 6 incompletes - so basically a non issue. This was 110% a slam dunk for us."

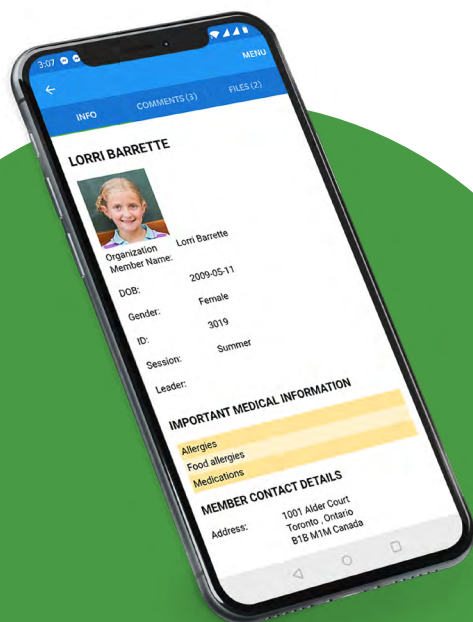

- Ryan Davis, Superintendent of Administration & Special Projects, City of Kettering

Rapid Set-up

- Use standard templates to get up and running
- Customize forms to fit your municipality's needs

Integrate With Your Registration System

- Seamless integration with rec management systems such as ActiveNet & RecTrac

World-Class Privacy & Security

- SOC 2-compliant and meets or exceeds HIPAA legislative privacy requirements
- Data hosted on Microsoft Azure, the only hyperscale cloud provider that offers resiliency and protection through multiple data-center locations

Fast, Secure COVID Screening

- Customize and automate daily health questionnaires
- Complete screening in seconds, self-reporting symptoms or possible exposures
- Archive screening data to meet regulations

NRPA Partner

- Exclusive Health and Emergency Network Partner of the National Recreation and Parks Association (NRPA)
- NRPA members receive special ePACT discounts
